Child Protection Lessons

As part of the Personal Development/Health/Physical Education curriculum all children will participate in Child Protection Lessons. These lessons will help children to identify dangerous or uncomfortable situations and to seek help from trustworthy adults. Some lessons may involve the naming of parts of the body. The Child Protection lessons have been developed by the Department of Education and they are an important priority for schools.

I give permission for my child to participate in Child Protection Lessons as described above.

PG Rated Movies

Department of Education regulations mean that primary school students are only able to watch G rated movies at school without permission. At times we may want to watch a PG rated movie. If your child's class watches a PG rated movie the teacher will have viewed the movie and deemed it suitable for the class.

I give permission for my child to watch PG movies as described above.
