General School Contributions

Each year, we seek from parents and carers a General School Contribution. This contribution is used to supplement educational resources and programs in Kindergarten to Year 6.

The payment of the General School Contribution is a matter for decision by individual parents and carers and is entirely voluntary. Our school would welcome your contribution, as this will significantly enhance the resources made available to our students.

The funds generated by the General School Contribution will be retained by the school and may be supplemented by other school activities for the benefit of students.

The details of our General School Contribution for this year are set out below.

Kindergarten to Year 6 General School Contribution for 2018 is \$40 per child to a maximum of \$80:00 per family.

If you are able to pay the voluntary school contribution this year, payment may be made by either cash, cheque made payable to Ropes Crossing Public School or online payment. Information regarding online payment is attached. Please return the completed form below to the school office as soon as it is convenient, along with the chosen method of payment in a clearly labelled envelope with your child's name, class, what the payment is for and the amount.

Thank you for your support.
